DO NOT Flush These Items:

PHARMACEUTICALS **- Proper Disposal = Trash OR Drop-Off Site**

Pharmaceuticals should be mixed with undesirable substances such as coffee grounds or kitty litter. Put them in a sealable container to prevent leaking prior to throwing in the trash.

There is also a collection container for medication disposal at:
Government Center, 151 4th St. SE, Rochester, MN

FATS, OILS AND GREASES **- Proper Disposal = Trash OR Drop-off Site**

Once cooled, Fats, Oils and Greases should be placed into a container that can be thrown away in the trash or disposed of at other appropriate facilities.
