You may also limit to ebooks in the **Advanced Search** option, or by using the filters on the left side of the results screen.

Note: Available titles will have a dark grey bar across the top of the cover; titles that are currently unavailable will have a white bar across the top. Patrons have the option to eReserve these title by clicking **PLACE A HOLD**.

2. Check out a title

- Click **BORROW** under the cover image. (You may also chose to click the cover image for more information on the title, then select **BORROW** on the following screen.)

3. Download to your computer and/or Kindle.

- Go to the **My Account** drop down menu.
