**Subject:** Rochester Public Transit and Paratransit Service Operations and Maintenance RFP Clarification

The following is intended to clarify a requirement in the referenced RFP.

RFP Part 7.4.9 requires that a "solicitation number" be included with the information in each binder and shown on its spine. However, the RFP does not have a "solicitation number" associated with it. Please include the other identifying information as specified in Part 7.4.9 with your submission.

Apologies for any confusion. Thank you.
