Best 2 of 4 Net
Rules Sheet

Welcome to the opening event of the 2018 Men's Club season. Each of the four players will play his own ball. At the completion of the hole, write down the actual score for each player on the scorecard. All of the scorecards are marked to give handicap strokes to each player hole-by-hole. If you receive any handicap strokes on that particular hole, subtract them from your gross score to get your net score. Then take the two best net scores per hole and add them together and put that score at the bottom of the scorecard.
