

NEW!

ROUTE 191 CROSSTOWN

The new **Route 191-Crosstown** helps travelers to make connections without having to travel to the downtown transit center.

- The Crosstown will provide 45-minute service from 5:30 a.m. to 10:30 p.m. Monday through Friday, and 6:30 a.m. to 8 p.m. on weekends and holidays.
- The Crosstown runs in both directions (note the separate timetables for clockwise and counterclockwise).
- Most routes will intersect with the Crosstown (18D and 2 do not).
- Fare for the Crosstown is the same as other routes.
- Transfers are valid for 90 minutes and may be used to connect *two or more* legs of any one-way journey.
- Look for **CROSSTOWN CONNECTOR** at the bottom of the bus stop sign to identify stops along the Crosstown route.
