

RPT Serving Our Community

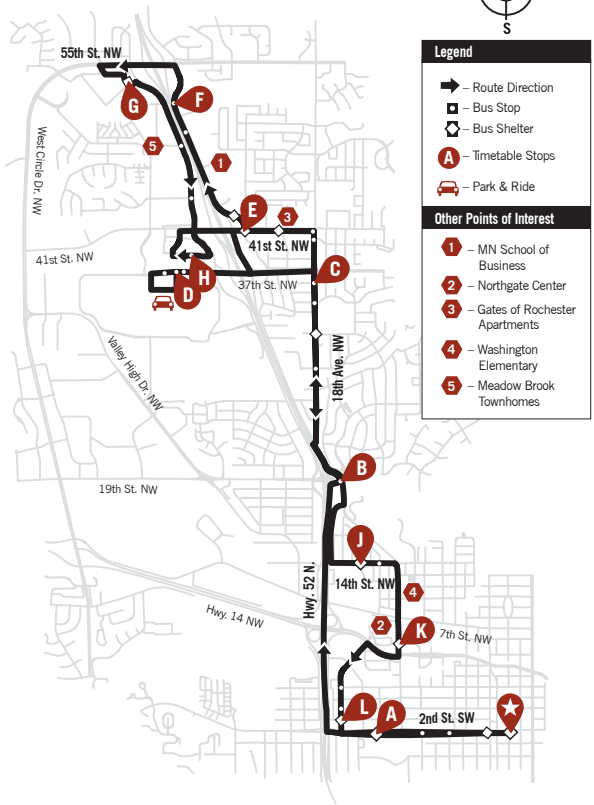

RPT's goal is to provide safe and convenient public transit service to Rochester residents and visitors. If we fail in any way to meet that goal in your experience please let us know. RPT serves over 7,000 passengers daily averaging approximately 25 passengers per revenue vehicle hour. The average ride time from most neighborhoods to downtown is 14 minutes. Ridership is expected to grow significantly with the continued development and expansion of Rochester. RPT can help in reducing congestion and the need for parking. RPT's development plan calls for:

- Accessibility for all passengers
- Continued expansion of neighborhood service
- Crosstown routes intersecting the radial routes from downtown increasing rider mobility
- Improved passenger stops and amenities
- Real time passenger information and mapping with smart phone application
- Continued fleet update and replacement
- Monitoring and purchase of alternate fueled vehicles for cleaner emissions and lower fuel costs
- Electronic pass systems

RPT is about serving our community.

ROUTE 12N - Weeknights Only

Wal-Mart North, 41st St. NW
See Route #25 for weekend/holiday service
