## **2019 Middle School Golf League Information**

Welcome to the 2019 Middle School Golf Season! The league is in its 6<sup>th</sup> year and it's very encouraging to see the growth and enthusiasm in it this year. We hope to have close to 30 golfers participating this year and hope everyone involved has a fun time.

A few of the main goals for the league season this year include:

- Keep it safe
- Make it fun
- Keep it flexible
- Make it informative

Safety is important to us, horseplay and other inappropriate behavior will not be allowed. Golf clubs and golf balls can be harmful when used inappropriately, we'll be watching to make sure every golfer feels safe on the golf course. Middle School golfers will be supervised by an adult or golf service staff while they're on the golf course.

We hope to make the league fun by providing weekly golf events that are enjoyable. Best shot, alternate shot, best ball, mulligans, and other formats will be used to provide fun playing experiences. Each week, an adult will supervise the program and be on the golf course with the golfers most of the time. Safety will be emphasized as a part of golf rules and etiquette, coaching will be provided when possible.

The Middle School Golf League is a very flexible league. We don't have a weekly sign up, there's no need to add or subtract a name from a weekly roster. Attendance is taken each week at 1:45 and juniors are paired into groups at that time. Tee times run from approximately 2:00 – 2:40, based on the number of golfers. Juniors arriving after 1:45 will be put into groups on a space available basis, any junior coming out to play golf will be paired into a group. Juniors needing to leave early, for whatever reason, can do so.

The league will be informative in many ways, with an emphasis on golf rules & etiquette, playing strategies, and a little bit of technique when possible.

On behalf of the entire staff at Soldiers Field GC, we hope all junior golfers enjoy the 2019 Middle School Golf League season, we'll look forward to seeing you soon!

Best regards,

David Richardson
