

2019 Public Works Construction Project Summary

Rehabilitation of 16th Avenue SW/NW from 2nd Street SW to Civic Center Drive (J7330)

The project will start in summer 2019 and be completed in fall 2019.

16th Avenue SW/NW from 2nd Street SW to Civic Center Drive will be milled and overlaid to restore the pavement.

Project Benefits

Benefits of the project include:

- Restoring the quality of the ride along this section of roadway by removing and replacing deteriorated pavement.
- Eliminating conflict points by controlling access at the Center Street intersection with the addition of a concrete median to prevent crossover traffic.
- Refreshing pavement markings, including the addition of on-street bike lanes.

Construction Impacts

Impacts to vehicle traffic:

- One lane of traffic will be maintained in each direction at all times during construction.

Project Cost and Funding

The \$600,000 project is being funded by Municipal State Aid.
