

SERVICES (NEW OR UPGRADING)

BECAUSE OF THE MANY NEC (NATIONAL ELECTRIC CODE) SECTIONS GOVERNING THE SAFE INSTALLATION OF SERVICES, WE REQUIRE THAT YOU COMPLETE THE SPACES LISTED IN THE ABOVE AND BELOW DIAGRAMS. THESE ITEMS ARE THE BASIC COMPONENTS OF ANY SERVICE THAT A PERSON MUST KNOW AND UNDERSTAND BEFORE A *PERMIT FOR SERVICE FOR CHANGE OUT* CAN BE ISSUED.

NOTE:

AN APPLICATION FOR ANY SERVICE CHANGE MUST ALSO BE SUBMITTED TO RPU (ROCHESTER PUBLIC UTILITIES). THE LOCATION OF ALL UTILITY ELECTRIC METERS MUST BE PRE-APPROVED BY RPU OFFICIALS.
