The total amount of the proposed certification amount for all properties is \$12,425.00.

A copy of the proposed certification roll is on file and open for public inspection in the City Clerk's office. Property owners are entitled to appear and present their objection to the charges at the time of the hearing. Property owners may also present their objections in writing prior to or at the time of the hearing. The Common Council will consider any written or oral objections presented. The Common Council may approve the proposed certification at the hearing.

No appeal may be taken as to the amount of any certification adopted unless a written objection is signed by the property owner and filed with the City Clerk prior to the certification hearing, or presented to the President of the Common Council at the hearing. Property owners may appeal the certification to the district court, pursuant to Minnesota Statutes, Section 429.081, by serving written notice of the appeal upon the Mayor or City Clerk within 30 days after the adoption of the certification and filing such notice with the district court within 10 days after service upon the Mayor or City Clerk.

Minnesota Statutes, Sections 435.193 to 435.195, allow municipalities the option of deferring special assessments. In Rochester, unpaid administrative citations may be deferred when the homesteaded property is owned by a person 65 years of age or older, by a person retired by virtue of a permanent physical disability, or by a person who is a member of the Minnesota National Guard or other military reserves who is ordered into active military service, as defined in Section 190.05, Subdivision 5b or 5c, as stated in the person's military orders, for whom it would be a hardship to make payments. Application forms are available from the City Clerk's office. Please note that the application must be filled out within 60 days of the date of Council approval of the certification of the unpaid administrative citations.

Dated this 28th day of October, 2019.
