When: Beginning Monday, January 6th, 2020 thru the end of the year

Weis Builders will be closing the sidewalks and alley around the “new” Towne Place Suites project, as well as putting traffic lane restrictions along 6th Avenue SW, between 1st Street SW and 2nd Street SW, for southbound traffic. These restrictions will begin on Monday, January 6th and are scheduled to go through the rest of 2020 (see attached map). The most westerly, southbound traffic lane will be closed to allow for Jersey Barriers and a construction fence to be located on the west side of 6th Avenue SW. Pedestrians are advised to use the open sidewalks on the other side of the streets. The alleys along the north and west side of the construction site will also be closed. Alley access will be maintained for adjacent property owners from the 1st Street SW side of the site.

Motorists and pedestrians are advised to use caution while driving through all work zones.
