Press Release

Rochester-Olmsted Planning Department to host series of comprehensive plan community engagement workshops

The City of Rochester is updating our Comprehensive Plan. The document, entitled Planning 2 Succeed (P2S), is intended to guide the growth of the community. Planning staff has spent the past several months exploring the land use, transportation, infrastructure, and fiscal impacts of several growth scenarios on our community. This meeting will share this information with the public and provide participants with an opportunities to provide feedback on the scenario planning process.

The agenda will be identical for each of these meetings, allowing multiple opportunities for the public to attend and provide input. The workshop times and locations are listed below. If you have questions please contact Mitzi Baker or David Dunn at 328-7100 or planningweb@co.olmsted.mn.us
